★ OUR ADVENTURE ★

Within the context of the 50's Lone Ranger TV series, "kemosabe" meant "trusted scout or friend", and this is the heart of our mission at KemoSabes Roadhouse Grill. We operate on the old-fashioned idea of providing a place "where friends gather", whether it be next door neighbors, residents of the surrounding area, or people just stopping by on their way to destinations all over the country.

Our monthly Chuck Wagon revolving menu takes that traditional philosophy and offers classic menu items with our own twist, while incorporating some of the best of today's food trends done "the KemoSabes" way". Hopefully, you can also see that in the way we renovated a popular restaurant from the 1920's with up to date amenities and repurposed materials; as well as respecting our past with the décor.

This new menu is a reflection of your input to our past Chuck Wagons and response to our past core menu. We thank you for your continued support and input...it is the engine that keeps us moving forward.
